

BSA Rangemaster Training

Rangemaster training is a 2- year certification for volunteers who operate Range and Target Sport Ranges at Twilight Camps, District, and Council events. This includes water rockets, bbguns, slingshots, archery, and catapults.

Note: Scouts BSA leaders can use this training to operate BBguns, tomahawks, slingshots, water rockets, knife throwing, and catapult events only. Archery ranges for Scouts BSA need a Level 1/2/3 Archery Instructor.

Saturday March 7, 2026

Training Starts Promptly at 8:30AM-2:00PM

.....

Additional training today for GEC Range & Target White Card.

****To receive the white card range & target training come at 2:30PM on March 7, 2026 (no charge). This training class is for any youth Scouts BSA, Sea Scout, Venturer and adults who are going to be on a rifle/shotgun/archery range in GEC or upcoming Expo at Beale AFB. Each person participating in these ranges must present their white training card to enter each range. This card is earned once like a totem chip card and teaches the safety rules and instruction for each discipline above. This training lets you have more time on the range.

Check the GEC calendar for additional white card training dates.
